Career objective

My experience covers office records, payment processing, and remote logistics support. I also build software for everyday work, including tools for a sales team. With a BS in Economics, I am seeking an officer, trainee, or operations role that draws on these skills.

Professional experience

Sales Representative Aug 2026 - Present

Orient Logistics Solution (Private) Limited, Toba Tek Singh

- Contact US truck owners and operators to explain dispatch services and answer enquiries.
- Build Dialrig alongside sales duties to help the team organise calling records and track activity.

Office Clerk (Ad-hoc) May 2026 - Jul 2026

State Life Insurance Corporation of Pakistan, Toba Tek Singh Area Office

- Checked and filed policy documents, entered records, and uploaded completed cases to the office portal.
- Maintained Word and Excel records, prepared staff reports, and drafted official correspondence.

Bill Payment Specialist (Part-time) Jan 2023 - May 2025

Local business, Toba Tek Singh

- Processed digital utility payments and kept Excel transaction records for payment checks and reconciliation.

Online Product Listing Specialist Dec 2023 - May 2024

Remote contract work, United States

- Created and updated product listings, checking descriptions and pricing for consistency.

Virtual Assistant, Vehicle Logistics Nov 2023 - Mar 2024

Remote contract work, United States

- Coordinated shipment communications and maintained logistics data, schedules, and digital records.

Selected digital projects

Dialrig | dialrig.netlify.app

Built sales software with AI-assisted development for the office team, combining calling records and representative activity tracking.

PrintDesk: Built a web tool to record photocopy and consumables expenses in place of paper logs.

Policy Record: Built a web tool to organise policy data, find records, and prepare formatted outputs.

Built additional practical tools on request for other users.

SHAHZAIB ALI
